HARDY CHR

MUMS

In our ever increasing complete collection of profitable varieties—in Hardy “mums” are like a wonderful display of bloom gone. The many colors are unexcelled for bouquets, often lasting for weeks under favorable conditions.

we have a most popular,

produce a wonderful display of flowers are beautiful stems and decorations under favorable conditions.

Each “Group” covers a flowering period from late August until November—the latter kinds bloom beautifully even after freezing. Lifted from the garden or border in late fall, and potted, make excellent showy lasting plants for all purposes. Late varieties remain good until Christmas.

To insure complete and prompt delivery, orders should be placed as early as possible.

The finest flowers are grown from the size plants we supply as priced in each group.
